

The Keystone Science Lecture

SEMINAR SERIES

Brought to you by the Division of Extramural Research and Training

Friday, January 30, 2015

11:00 a.m. – noon

NIEHS Building 101, Rodbell AB
111 TW Alexander Drive, Research Triangle Park, N.C.

Environmental Endocrine Disruption of the Brain: Past, Present, and Future

Andrea Gore, Ph.D.

Johnson & Johnson Centennial Professor of Pharmacology and Toxicology
University of Texas at Austin

Host: Jerrold Heindel, Ph.D.

Individuals with disabilities who need accommodation to participate in this event should contact Jerrold Heindel at 919-541-0781 or heindelj@niehs.nih.gov. TTY users should contact the Federal TTY Relay Service at 800-877-8339. Requests should be made at least 5 business days in advance of the event.

Any individual seeking access to the NIEHS campus will need to be prepared to show a photo ID (e.g., driver's license, or a company, government, or university ID) and provide pertinent information about the seminar (e.g., name of the speaker, host, or title of the seminar).
